structures

## Aim

To answer questions  
correctly.

## Preparation

A ball

## Level

Elementary (A1-A2)

## Time

10 minutes

## Introduction

This is a fun answering questions game to help students practice or revise question and answer structures.

## Procedure

Students stand in a circle with their arms folded.

You stand in the middle of the circle with a soft ball.

Throw or pretend to throw the ball to a student.

If you throw the ball, the student catches it and throws it back.

If the student fails to catch the ball, or you fake a throw and the student flinches, they must answer a question correctly to stay in the game.

If a student doesn't flinch, the game continues.

The last student left in the game is the winner.
